

Work Submission

Individual logic assignments and video presentations must be emailed to your instructor (optionally depending on your professor, the group work can be as well) and **must** follow the email guidelines described below. **Failure to follow these directions exactly, will result in ungraded work and a grade of zero will be applied!**

Email: SUBJECT Line

- This subject line must be used for all/any work submitted via email!
- All **UPPERCASE** and there are **NO SPACES**
- **Highlighted** parts indicate where you must replace with your specific information:

FORMAT: APS145-NAA-W1-G1-M1

Example: If you are submitting **workshop #4**, in section **"ZBB"**, in **group #3**, and **member #5**:
APS145-ZBB-W4-G3-M5

- **NOTE:** For **group work** submissions, **do not include last member part** (M-#)

Individual Work Submissions

- Create an email and **use the above-described SUBJECT line**.
- **Attach a file** containing your work (**pseudo code** OR **flowchart** as required):
